

## IOWAN HELD FOR CHURCH ROBBERY

Leslie McDoyle of Davenport Bound Over for Taking Articles From Trinity Basement.

ADmits HIS GUILT IN COURT

Charles Stegis Makes Record of Being Fined Twice One Day on the Same Offense.

Leslie McDoyle of Davenport today was bound over to the grand jury on a charge of burglary and larceny. He is accused of having stolen 19 pool balls in a box in the basement of Trinity Episcopal church, Sixth avenue and Nineteenth street, yesterday. He was held in bonds in the sum of \$1,000. He went to jail.

The church was open and McDoyle is alleged to have walked in, gone to the basement, where the pool table is kept as a diversion for the boys of the congregation, and there to have taken the pool balls, the value of which is placed at \$45.

Officer John Kinney arrested McDoyle at the corner of Third avenue and Nineteenth street in the afternoon. He was taken to the pool room of C. A. Englehart on Second street between Main and Harrison, Davenport, where he is alleged to have disposed of the loot. He was identified there. Today when arraigned before Magistrate Smith he plead guilty and was held.

Gets 20 Days.

Fined twice in one day on the same charge is the record made yesterday by Charles Stegis. In the morning he was assessed \$1 and costs for disorderly conduct, it being claimed that he struck a member of the Marks family, 2404 Fifth and a-half avenue. He was assessed \$1 and costs. After being released he returned to the residence and attacked a member of the family. He was rearrested and sentenced to the county jail for 20 days. Stegis, it is said, was a boarder at the home and that trouble arose between him and members of the family Sunday night.

Matt Norman was sleeping on a porch of a home near the corner of Twenty-eighth street and Seventh avenue at 2 o'clock this morning when he was arrested by Officer Collins. He was assessed \$2 and costs in police court.

Leo Maxwell, Davenport, arrested by Officer Berry, was fined \$5 and costs for violation of the motor vehicle law.

## 4 ATTACKS ON BORDER CITY ARE CHECKED

(Continued From Page One.)

and porches were perforated in many places.

The American trenches were plentifully sprinkled with bullets also. Private Harry Jones, Company C, 11th Infantry, was hit while guarding a company wagon near the army field hospital. Jones was hit in the stomach and probably fatally wounded.

American Trooper Hurt.

Private James Tank, Company D, 11th Infantry, was struck in the legs by a bullet that fell into a section of

the trench a few feet from the customs house.

No move was made by any of the United States army detachments to return the fire.

Observers on the American side reported Villa's troops had drawn off, not in retreat, but to procure water.

Their canteens were empty and many had not tasted food for 24 hours or more. Villa still intends to take Agua Prieta, they declared. Some of them were served with water yesterday by civilians at the Douglas slaughter house west of the city, but were stopped when Calles made a protest.

Mines Kill 300 Yaquis.

Mines exploded by Calles west of Agua Prieta killed 300 Yaquis, according to reports from the Mexican town. One Mexican woman among the throng at the customs house during the machine gun fusillade yesterday lost a finger by a bullet.

Twenty-three hundred refugees were concentrated at a camp at Piritiville, a suburb of Douglas. They were practically without water last night. Dr. R. P. Armstrong, Calles' chief surgeon, declared that this was due to dilatoriness of American officials. The refugees were without lights last night and food supplies were scant until today.

Daybreak showed that little damage to the defenses of Agua Prieta had been done in last night's battle. The barbed wire entanglements, with the exception of one gap of about twenty feet, appeared intact, while the earth works showed little effect of the rain of shells poured on them all night.

Many Damaged Buildings.

The town, however, showed many damaged buildings and the list of dead and wounded was a heavy one.

After the last heavy bombardment the Villa forces, which at some points had approached to within a few hundred yards of the wire entanglements, fell back about a mile and began entrenching.

The right flank of the Villa forces rested squarely on the boundary fence at a point about 300 yards from the slaughter house.

Villa's soldiers were still apparently without food or water, but expressed determination to force their way into Agua Prieta at any cost.

Will Shell Attacking Army.

Washington, D. C., Nov. 2.—Anxiety on the part of administration officials for the safety of American citizens along the Mexican border as a result of the fighting between the Carranza and Villa armies was somewhat relieved today. This was based on reports that a warning by General Thomas F. Davis, commanding the American troops entrenched on the American side of the line, should bullets continuously fall into Arizona and endanger Americans, United States troops, without further reference to Washington, are to shell the faction which fires into American territory.

Major General Funston, who was due to arrive at Douglas early today to take personal charge of the situation had instructions from the war department to return any fire from Mexican territory endangering lives on the American side of the line. Should bullets continuously fall into Arizona and endanger Americans, United States troops, without further reference to Washington, are to shell the faction which fires into American territory.

## ANNEXATION TO BE TALKED OVER

Benefits of Joining South Moline to Be Discussed at Real Estate Exchange Banquet.

Six property owners of South Moline will meet with the Moline real estate men this evening at the business session of that body at the Campbell hotel for the purpose of discussing the benefits of annexation with reference to the extension of car service and other public improvements. The formation of an exchange by the Moline real estate men, where all members may list their properties, will also be brought up and discussed at the meeting.

The principal idea of such an exchange is to relieve prospective customers or renters of as much work as possible in their search for suitable places of abode. It will eliminate the necessity of calling on every real estate dealer in the city before the house hunter is given the information that is sought.

The plan is to establish some bureau in the central portion of the business district where will be listed every piece of property that Moline real estate men have to offer for sale, rent or trade.

## TRAMP CRUSHED TO DEATH BETWEEN CARS

George Shields, a tramp, was instantly killed by Rock Island train No. 5 at Morris, Ill., at 12 o'clock last night, and his companion, Daniel McGeorghegan, was probably fatally injured. It is thought that both men boarded the train in Chicago with intentions of stealing a ride to Rock Island. The men were riding the blind baggage and attempted to crawl out as the train came to a stop at Morris. Both were caught between the buffers and crushed. McGeorghegan is confined in a hospital at Morris.

Sunday—"The Dragon's Claw."

AT THE ILLINOIS.

The Illinois Theatre is to be opened next Sunday afternoon as a feature film house under direction of the Metropolitan Amusement company, with Harry Sodini as manager. The playhouse has been redecorated and refurnished throughout, giving it a clean, inviting appearance. A new Bartolo organ is now being installed. The new organ furnishes the complete effect of a 25-piece orchestra. Through booking arrangement the Metropolitan company announces it will select its own program every week, not being bound to accept certain releases of any one or two companies. The opening program Sunday will include "The Palace of Kings," a Big Four feature, and two

feels of Keystone comedy. Monday and Tuesday, George Behan in "The Alien" will be offered. In December "The Birth of a Nation" will be shown at the Illinois. A new screen is being built in Philadelphia for the local stage.

AT THE COLONIAL.  
Few plays have ever found their way so thoroughly into the hearts of the American public as has "The Little Gypsy," as evidenced by William Fox, with an elaborate attention to detail and careful direction which places it in a class by itself in the stage drama. The original stage production was hailed by reviewers the country wide and a distinct event in the art of the theatre. The metropolitan newspapers devoted a liberal share of space to describing the delightful work of the great English word-master Walter Furey, and it drew millions to see it presented upon the stage. With all the enhanced opportunities for comic display and dramatic action afforded by the photographic medium it is safe to say that "The Little Gypsy" is one of the greatest and most universal appealing of any of the screen plays so far presented by William Fox and this is high praise indeed. "The Little Gypsy" comes to the Colonial tomorrow and Thursday.

Liquor Dealers Attention.  
All members of the Retail Liquor Dealers' association are requested to attend the funeral of our longtime and faithful member, Hon. Henry Case, which will be held Wednesday afternoon at 2:30 o'clock from his home, 1116 Fourth avenue, Rock Island. Rock Island Retail Liquor Dealers' association.

## FIRST MEETING HELD IN BIG TABERNACLE

In the Moline tabernacle, located at Sixteenth avenue and Fifteenth street, which was built in a day, was held the first of the four weeks' revival meetings by the Barnett-Davis people last evening. Rev. J. A. Barnett, pastor of the First Christian church of Moline, spoke to the gathering that nearly filled the huge structure on "The Power of Sin." The work of the large chorus, which has been organized for the revival meetings, was one of the features of last evening's meeting.

## DAVENPORTER HURT AT LOCAL FACTORY

Ed Sauerburn, whose home is in Davenport, was painfully injured yesterday afternoon while on duty at the Rock Island Sash & Door works plant. Mr. Sauerburn was engaged in placing a boiler for the new plant when a heavy timber slipped from its fastenings and fell upon him, crushing him to the ground. A physician was summoned, but it was found that he suffered no broken bones, escaping

with severe bruises and contusions about the body. He was removed to St. Luke's hospital, in Davenport, where he will be confined for several days.
